Department Specific Requirements:
• Applicants for the Nursing program will be required to take the Test of Essential Academic Skills (TEAS) prior to the deadline. You must achieve a minimum composite score of 67% for admission consideration. Visit www.sunyorange.edu/testing/services.shtml for test scheduling and payment information.
• Attendance at a Nursing pre-admission orientation. At this orientation, students will receive and sign off on information pertaining to health forms, program standards, and criminal record & drug screening policies. Orientation dates are available online at www.sunyorange.edu/admissions/programs/springnursing.shtml.
• The Nursing Department will review transcripts of those students who have been enrolled in a health professions program at SUNY Orange or another college.

Selection Process
Students will be considered for admission into this program based on the completion of all mandatory eligibility requirements, highest combination of cumulative GPA, TEAS score, and credits completed towards the program (see reverse), and seats available. Students must meet all of the above requirements to be considered for admission into the program.

All Nursing Admissions Eligibility Requirements must be completed before October 15th in order for a student to be considered for acceptance into the program for the spring semester.
