

NURSING

"I chose SUNY Orange because of its stellar nursing program and the wonderful people that work here. The College really nurtures its students for what's ahead (in their professional future) and is passionate about achieving the highest results. I couldn't have asked for a better place to be than right here."

Paul Falanga

Why Nursing?

Do you enjoy intellectual challenge? Do you enjoy the challenge of working with people? Do you want to make a difference in the lives of others? If the answer is yes, then nursing may be the career for you! Nursing is a career that is intellectually challenging and requires the ability to solve problems when caring for others. From those who desire to work within acute care settings and hospitals to those wishing to care for children or the elderly in the community, nursing can provide professional satisfaction. With the increased need for nurses and the wide variety of careers from which to choose, you are sure to find your special area of interest. Nursing is a profession that provides for flexibility in work schedules and allows for unlimited professional development and personal growth.

Why Nursing at SUNY Orange?
