*Note: A “Yes” under the “Met” column in each of these areas generally indicates completion of requirements for graduation.

Area Requirements
Indicates specific academic areas required in your program, number of credits required and whether the area has been “Met” or completed. The “Term” column indicates the year and semester in which the course was taken. The first four numbers indicate year, the fifth and sixth numbers indicate terms or semesters; term “90” refers to the “fall”, “10” refers to the “spring” and “60” refers to the “summer” semester.

Detail Requirements
Indicates what course(s) or course categories and credit hours you need in each area and if they have been “Met” or completed (Yes) or not (No).

</tr>
</thead>
<tbody>
<tr>
<td>Total Required:</td>
<td>Yes</td>
<td>6.00</td>
<td>6.00</td>
<td></td>
<td>2</td>
</tr>
</tbody>
</table>

<td>200910</td>
<td>ENG</td>
<td>102</td>
<td>Freshman English 2</td>
<td>3.0</td>
<td>A-</td>
</tr>
</tbody>
</table>

This information indicates that your program requires ENG101 & ENG102 and that you “Met” or completed (Yes) these courses. The “Term” column shows that you took these classes in fall 2008 and spring 2009 respectively earning a letter grade of A- in each.

Example:

Area Requirements

<table>
<thead>
<tr>
<th>Area: Bus Admin Major Req</th>
<th>Met</th>
<th>Credits Required</th>
<th>Used</th>
<th>Courses Required</th>
<th>Used</th>
</tr>
</thead>
<tbody>
<tr>
<td>Total Required:</td>
<td>No</td>
<td>32</td>
<td>15.00</td>
<td></td>
<td>5</td>
</tr>
</tbody>
</table>

This information indicates that the Business Administration Major Requirement is not “Met” or completed (No). It also indicates that 32 credits are required in this area of which 15 credits are “Used” or completed. As well, 5 courses required in this area are “Used” or completed so far.
This information indicates what courses in the Business Administration major have been completed (Yes) under the “Met” column. These courses are: BUS201, BUS202, MGT201, MGT205 and MKT101 (15 credits or 5 courses as stated in the Area Requirement above). Courses that indicate “No” need to be taken BUT you need to look at the condition column for more information.

Under the “Condition” column, the word “AND” indicates classes that are mandatory to take and the word “OR” indicates an optional course that can be taken in place of another to complete this requirement. Going back to the chart, looking at the “Condition” and “Subject” columns, it reads that your program requires Acc154 AND Bus201 AND Bus202 AND Bus205 AND Bus207 AND Mgt201 AND Mgt205 AND Mkt101 and we pause because we see conditions with *parentheses*.

Parentheses give more options to complete your courses. You need to pay attention to where the parenthesis opens – ( and/or closes ). Going back to the chart where we left, student also needs to take AND (Acc153) OR (Acc101 AND Acc102) AND (Bus161) OR (Cit101). This indicates Acc101 & Acc102 (2 courses) may substitute for Acc153 or vice versa. In the same fashion, Bus161 will substitute for Cit101 and vice versa.
