What are your Summer 2013 Enrollment Plans?

Number of Summer Credits enrolled: ___________________________

- You need a minimum of 6 applicable credits in order to receive a summer loan.

__________ I do not want to use any of my 2013-2014 financial aid.

Students may qualify for summer aid in one of two ways:

1. You have filed your 2012/13 FAFSA, and you have leftover aid from the 2012/13 aid year. This will not have any effect on your 2013/14 financial aid award.

2. You have filed your 2013/14 FAFSA and any eligibility will go toward Summer 2013 first, which will result in reducing the amount of aid you would receive for the Spring 2014 semester.

Please READ and SIGN below indicating your understanding:

1. In order to receive financial aid of any type, I must be accepted into and matriculated for a degree or a certificate bearing program consisting of 24 or more credit hours. All credits must be applicable towards my major.

2. I must maintain satisfactory academic progress according to the standards published on the SUNY Orange Financial Aid website.

3. I must maintain at least 6 credit hours applicable towards my degree for Stafford Direct Loan eligibility.

4. Stafford Direct Loans will not be paid out until attendance has been verified.
