

# **BOOKS AND EQUIPMENT USED IN NURSING I (NUR 101) and READING LIST FOR FALL 1014:**

## **REQUIRED:**

### Equipment

All nursing students are required to purchase a stethoscope and a penlight. A portable manual blood pressure cuff (sphygmomanometer) is recommended but not required. **In addition, a kit containing equipment for skills practice will be required to be purchased and is available in the bookstore.**

### Kaplan Nursing

The Basics Book. *Available only in the college bookstore*, text along with paid receipt must be shown to instructor on first day of classes. This will allow for online secure access to Kaplan homepage which provides study skills workshops, practice test, secure tests, test results, remediation resources and NCLEX-RN® prep materials.
