I. INTRODUCTION AND OBJECTIVES

In compliance with the central theme of the November 19, 1972 Board of Trustee transfer policy, the document herewith known as the Orange County Community College and the SUNY College at Brockport Department of Political Science and International Studies Program Agreement has been drafted. The intent is to facilitate the transfer of Orange County Community College students to SUNY College at Brockport and the adoption of the International Studies major.

II. TRANSFER TO SUNY COLLEGE AT BROCKPORT

The number of hours to be transferred and the allocation of such hours shall be determined by the following approved SUNY Brockport General Education Transfer Policy.

A. Total Transfer Credit

   a. Students holding an approved associates degree from a regionally accredited college may transfer up to 64 credits. Such students will automatically be granted at least 60 credits and junior status. Some students may need more than 60 additional credits to complete the baccalaureate degree requirements depending on previous courses and the major selected at SUNY Brockport.
   b. Students without an associates degree from a regionally accredited college may transfer up to 64 credits and be granted junior status.

2. From four-year colleges: A total of 96 credits may be accepted for transfer from any regionally accredited four-year college or university.
