Math Faculty Exchange
March 15, 2012

In attendance: Teachers and administrators from Orange County high schools, Orange-Ulster BOCES, Mount Saint Mary College and SUNY Orange

SUBJECTS DISCUSSED:

- Attendees talked about how the New York State Common Core Learning Standards would impact the high school curricula and students in the short and long term. O-U BOCES Facilitator Elvira Scotto-Padavano updated the group on the K-12 Common Core Learning Math Standards. She noted that the K-8 standards begin in September 2012 and the high school standards begin in 2013.

- SUNY Orange Professor Fran Cummins and Mount Saint Mary College Professor Lee Fothergill updated the group on news from their math departments and answered questions from the group about hybrid courses, developmental math courses and college placement exams.
