SMART SUMMER PROGRAM
Sensory-Motor Activities & Recreational Transition
July 7th – August 1st
Pre-K – 6th Grade

Join us for an exciting summer experience at the SUNY Orange campus that will enhance your child’s physical, sensory, social and academic abilities. The SMART Summer Program is designed to maintain, enhance and strengthen:

Gross & Fine Motor Skills
Sensory-Motor Integration
Handwriting Skills
Socializing Skills
Self-Esteem

Your child will receive individualized goals, work in small groups, and obtain instruction that provides a bridge to the next school year.

Licensed & Certified Occupational Therapists
This special summer program is offered by SUNY Orange’s Office of Educational Partnerships and the Occupational Therapy Assistant Department. Each class is taught by New York State licensed and certified Occupational Therapists in a safe, interactive, fun and nurturing environment.
