## Changes to Schedule

An Drop/Add occurs when a student makes changes to his/her schedule after registration. Students may add open semester courses and/or change sections during the Add/Drop period which is 5 business days after the beginning of the semester or it's equivalent for part of term courses. After the Add/Drop period, signatures of the Instructor, Department Chair and Registrar are required. A fee of $10 per course is charged up to a maximum of $25. Part-time students who both add and drop courses after the semester begins pay incur both partial tuition and fees costs for the dropped course as well as the full tuition and fees costs for the additional course unless the add and drop is for the same course in the same session.

Students who wish to register for a closed (filled) class are required to obtain permission from the Instructor, Department Chair, and Registrar or if available can add themselves to a waitlist if one is available for the desired course. (Note: Waitlists are not available for all courses).

**Residence Information**

In accordance with New York State Education Law, Section 6301 each full-time and part-time student residing in New York State must file a Certificate of Residence. The County of Legal Residence for a New York State resident attending a community college contributes to the College a portion of the College's cost for providing services to the student. The basis for assessing counties for this money is the Certificate of Residence.

Note: A person who does not acquire New York State Domicile (legal residence) simply by being physically present in New York State for a period of 12 months or for the sole purpose of attending a New York State College or University. If your principal or permanent home has not been New York State for a 12 month period immediately prior to the start of the semester, you will be considered an out-of-state student for tuition purposes.

Certificates are valid for 12 months from the date of issue. A new Certificate must be submitted each year.

### To Prove Residence for ANY County in NY State You MUST:

Have resided in New York State for one year AND resided in your home county for six months prior to the first day of classes. Please follow the instructions below for your home county. Once we receive the appropriate document the non-resident tuition charge will be removed from your account. You may not receive another bill. Make payment by subtracting the non-resident tuition amount from your balance due.

### Orange County Residents:

Complete the Affirmation of Orange County Residence. Include this with your adjusted payment (subtract nonresident tuition amount from balance due).

### NY State Residents From Counties Other Than Orange County:

A student from a New York county other than Orange is required to submit a Certificate of Residence from their county of legal residence covering 6 months prior to the first day of classes. To secure the required certificate, follow the procedures below:

Contact the Treasurer’s Office or Chief Fiscal Officer of your home county to inquire about acceptable forms of proof you will need to prove your residence.

Once you have obtained a Certificate of Residence, you must submit the original to the SUNY Orange Bursar Office. This will entitle you to pay the resident tuition rate. Please note per New York State Education Law, NY state counties are only required to issue and honor certificates of residence dated no earlier than 60 days prior to the start of classes and no later than 30 days after. After the first 30 days of a semester, counties are no longer required to issue certificates of residence and payment for the non-resident tuition charge becomes the student’s responsibility. Late certificates will be processed by our office, but your account will only be reduced if your county accepts our billing.

### SUNY State Residents Who Have Lived in More Than One County During The Past Six Months:

Contact each county in which you resided, as a certificate of residence will be required from each of those counties. Proceed as indicated above. Students who fail to meet the full six month residence requirement will be charged the non-resident tuition.

### Special Requirements for Immigrant and Undocumented Aliens:

Immigrant Aliens must have held an Alien Identification Card (green card) for one full year and be able to establish NYS residency to be eligible for resident tuition rates. Foreign students on the following visas do not qualify for the resident rate: F(students), B(visitors), J(exchange), C, D, H2A, H3, H4 if on H2/H3, M, O, P, Q, R, TN, or TD visas. Effective July 1998, certain undocumented aliens may be eligible for the resident tuition rate. The undocumented alien must have graduated from a NYS high school and applied for SUNY admissions within five years of receiving the NYS diploma. The undocumented alien must complete a notarized affidavit stating that the student has filed or intends to file an application to legalize his or her immigration status.

### All Students:

Providing the college with proof of residency is an important step in your registration process. Students who fail to present documentation will be charged non-resident tuition. Please contact the Bursar Office at (845) 341-4830 if you have any questions about the proper way to complete the requirement.

Welcome to MySUNYOrange!

Online Services at MySUNYOrange
For your convenience, SUNY Orange offers several online services that are available at MySUNYOrange. These online services provide instant access to your student records (Banner), e-mail (Gmail) and online courses (Angel).

Once logged in to Banner, you can:
• access registration to drop/add courses
• print a copy of your schedule
• search for class times and availability
• view holds on your account
• examine a detailed summary of your academic program
• view mid-term and final grades, review your payment history, check financial aid and tax information
• print an unofficial transcript.

You can also send and receive e-mails via Gmail, collaborate with classmates and professors through Angel and conduct research by accessing the Library Databases (note that access to the Library databases requires specific usernames and passwords and is not covered with your Single Sign-on account). These services can be accessed via the MySUNYOrange link located near the top right of the College’s home page (www.sunyorange.edu) shown at right. Upon reaching the MySUNYOrange page, you will be asked to insert your username which is your “A” number (including the letter “A” plus 8 digits) and password (date of birth - MMDDYY), which will then direct you a landing page (shown at right) where you may link to the various online services, view the College calendar for that day, see recent announcements and locate helpful informational links.

All students should also be aware that the College has established e-mail as the official means of communication with students (the policy is included below). Mass communications to students will be in the form of an e-mail newsletter entitled “Student Grapevine.” When necessary, students may also receive personalized official e-mail notifications from such College departments as financial aid, bursar, advising and counseling, or registrar.

The Student Grapevine will include announcements, schedules of events, and notifications of College deadlines. An online version of the Student Grapevine will be posted to the College’s web site.

SUNY Orange Student E-mail Policy
Assignment of E-mail Address
SUNY Orange assigns an e-mail address (@sunyorange.edu) to each registered student. This College-issued e-mail account will be designated as the student’s official e-mail address when administrative and academic departments need to communicate with students.

College Responsibility
The College is responsible for communicating with students in a timely and accurate way about changes in policies, procedures and deadlines that affect them. The College will select the most appropriate method (mail, telephone, e-mail) to convey pertinent information to specific groups of students. In some cases, e-mail may be used exclusively. Routine announcements, administrative and academic dates and deadlines, and information of a general nature will typically only be sent by e-mail.

Student Responsibility
Students are responsible for receiving, reading, responding to and complying with official e-mail communications sent by the College. Because information may be time-sensitive, students are encouraged to check their e-mail regularly (daily, several times weekly) throughout the semester.

Students who opt to redirect their @sunyorange.edu e-mail account to another personal e-mail account do so at their own risk. The College is not responsible for e-mail that is not delivered to a forwarded address or for spam filters that may block e-mail messages. The student’s failure to receive or read e-mail communications does not constitute an excuse for missing College communications or meeting College deadlines.
To certify enrollment, tuition and fees must be paid and all holds must be cleared for students to print. Current Enrollment Certificates and Past Enrollment Certificates will be available for students to sign into MySUNYOrange. Advanced Registration Certificates, securely and seamlessly be brought to the Clearinghouse Self-Service site through the National Student Clearinghouse Self-Service Program. Student will be able to view their Enrollment Certification of full-time/part-time status is available through the Office of Continuing and Professional Education.

Contact the Office of Continuing and Professional Education for information on obtaining a G.E.D. at (845) 341-4890.

Students previously admitted to the college who have not attended for two or more semesters must apply for readmission. For more information on admission into SUNY Orange, please contact the Office of Admissions at (845) 341-4030 or via email at apply@sunyorange.edu

**Advising**

All degree-seeking students must obtain approval from an academic advisor either in their department or in the Academic Advising Office prior to registering for classes.

**Attendance**

Attendance is required in all courses. Work missed during any period of absence, regardless of the reason for the absence, must be made up by the student (see course syllabi for details). Instructors are authorized to lower grades for class absences and may withdraw students from non-development courses for excessive absences.

Instructors shall not lower grades for absences for religious observance nor, provided the instructor’s permission is given in advance, for participation in athletics or other college-sponsored events.

If illness, accident or similar circumstances make it impossible for a student to attend classes for three or more consecutive days, it is his or her responsibility to notify each instructor to make up missed work.

Current or future awards of financial aid may be affected if a student does not attend classes for which he or she is registered.

**Audit of Course**

Students who do not wish to earn credit or a grade should complete a special permission form available at the Records and Registration Office in Middletown or Student Services Central in Newburgh when they register for courses. Students may, however, change status from audit to credit or vice versa, if they file the special permission card by the end of the third week of classes (or its equivalent). Some courses, such as Nursing, are not subject to audit.

Those students who are receiving financial aid should consult with the Financial Aid Office before registering for or changing to audit status.

Instructors are not required to evaluate the work of audit students.

**Certifications of Enrollment/Attendance or Certifications of Full-Time/Part-Time Status**

Enrollment Certification of full-time/part time status is available through the National Student Clearinghouse Self-Service Program. Students will be able to view the Clearinghouse Self-Service site by signing into MySUNYOrange. Advanced Registration Certificates, Current Enrollment Certificates and Past Enrollment Certificates will be available for students to print.

To certify enrollment, tuition and fees must be paid and all holds must be cleared from the student’s record.
tenth week of the semester. Examinations for evening classes are usually held in the last week, the same day of the week and at the same time of day, during the fall/spring semesters, as the regularly scheduled course. See the academic calendar for dates for final examinations. The final exam schedule can be found at www.sunyorange.edu/academic_services/finals.shtml

Financial Aid
All degree-seeking students enrolled in approved programs are eligible for financial aid consideration. All enrolled courses must apply to your major/degree. Students requesting aid must complete the FAFSA (Free application for Federal Student Aid) once each academic year (2013-2014), located at www.fafsa.ed.gov.

If you are attending the Summer 2014 semester, please fill out the 2014-2015 FAFSA. Students must select which aid year they can best utilize for their Pell and loan eligibility.

**Do not go to fafsa.com as this site charges a fee and is NOT recommended by the federal government or SUNY Orange.

Upon submission of a completed FAFSA, a student who is a resident of NY State should use the link to NY State found on the confirmation page to complete the TAP web application.

To avoid delays and to ensure having financial aid available to assist with payment of tuition and fees, students are encouraged to apply for financial aid as early as possible. Please note being in attendance in all enrolled course(s) is imperative. Non attendance in one or all of your classes can negatively impact your eligibility for financial aid.

New students must have a final official high school transcript or official G.E.D. Score Report on file with the Admissions Office before any financial aid is awarded.

For complete information on aid programs contact the Financial Aid Office in Middletown at (845) 341-4190 or at Student Services Central in Newburgh at (845) 341-9502.

Fresh Start Policy
This policy is intended to provide a “fresh start” for students with poor grades who either want to change to a new program, or, having been away from the College for at least one year, want to resume their original plan of study. Please note that this application will not be reviewed until at least four (4) weeks into the returning semester.

An eligible student will have his or her CQPA re-computed by excluding final grades earned in courses taken at SUNY Orange that are not explicitly required in the student’s intended degree or certificate program. The student may apply for this fresh start opportunity at any time during her or his career. However, a Fresh Start will be awarded only once. If the application is denied by the Registrar, a written appeal may be made to the Vice President for Academic Affairs.

Application of the Fresh Start Policy means:

• Grades will be omitted from the recalculation of a CQPA until the CQPA is 2.0 or the smallest possible number above 2.0. However, the original grade remains on the transcript.

• Courses and grades omitted from the re-calculation will be identified on the transcript by an “X” in front of the grade of the recalculated course(s).

To be eligible for a fresh start, a student must meet ALL of the following criteria:

• Be matriculated in a registered degree or certificate program at the College.

• Have changed curriculum, or have been out of the College for at least one calendar year.

• Have a CQPA lower than 2.0 at the time of the request.

• Acknowledge in writing the restrictions of this policy.

• Not have had any courses “discounted” under the previous policy.

Honors Program
The Honors Program has been developed to offer highly motivated and talented students an opportunity to develop their potential more fully as they study for the Associate degree. Honors courses will offer enrichment through alternative texts, outside readings, research projects, and abstract concept development beyond the traditional course section. Honors sections of courses are identified by the letter “H” at the end of the course number code in the Schedule of Courses. For more information on the program and eligibility rules, contact the Honors Coordinator at (845) 341-4004.

Immunization
New York State law requires that all students born on or after January 1, 1957 who wish to enroll for six (6) credits or more in any semester provide proof of immunity to measles, mumps, and rubella. www.sunyorange.edu/schedules/docs/immunization_F2011.pdf.

In addition, all students, regardless of age, must sign and return the Meningitis Response Form available at www.sunyorange.edu/admissions/apply/docs/MeningitisForms.pdf or in the Wellness Center.

Immunization Forms must be on file in the Wellness Center prior to registration.

For questions related to immunization requirements and acceptable documentation contact the Wellness Center at (845) 341-4870.

Make-Up of Classes Cancelled due to Inclement Weather
Evening classes canceled due to inclement weather will be rescheduled. Students will be advised by the instructor of the time and day of these sessions. Generally, a make-up session is held on the Friday evening of the next week.

Maximum Credit Load
In general, students may schedule their classes in the day or evening, or both, in accordance with their particular needs. To register for 20 or more credits in a semester, or 9 or more credits in a summer session, the permission of the appropriate Associate Vice President is required. Twelve or more credits in a semester constitutes a full-time course load; one-half credit to 11.5 credits is designated as part-time study.

Payment
Your $50.00 tuition deposit payment is a valid commitment of your intent to attend SUNY Orange. All students are encouraged to pay the required deposit at the time of registration. Students who fail to pay their tuition deposit are subject to course deletion. All tuition deposits are non-refundable. For the tuition deposit dates/deletion schedule, please visit the following link: www.sunyorange.edu/bursar/payment_options.shtml

Payment options include cash, money order, check, or credit card: VISA, MasterCard, American Express, or Discover Card, finalized financial aid, third-party contracts, or the TuitionPay plan.

**Pay online** For your convenience, payment by credit card or ACH may also be made on-line. Access our website at www.sunyorange.edu/bursar. Click on make a one time online payment now.

Please note the Bursar does not accept any payments, including credit cards, by telephone.

• The TuitionPay Plan is not available for summer semesters.

The schedule of tuition and fees is available in this publication and at the
Bursar’s web page.

To qualify for New York State resident tuition rates, a student must have maintained a legal residence in NY State for one year and in the county for six months both immediately preceding the day of the semester. All NY State residents who do not complete the residence requirement will be charged as a non-resident. Proof of residence must be submitted annually.

An application for Certificate of Residence, along with the instructions for filling it out, can be found in the course schedule publication, or downloaded in PDF format at the bursar’s web site.

Students who register for classes but who fail to complete the payment process or attend classes, will incur a tuition liability if they do not withdraw (by completing and processing a drop form with the Registrar’s Office) before the start date of the semester. Non-attendance does not constitute an OFFICIAL drop. Non-Payment does not limit student’s liability.

Prerequisites
A prerequisite course is one that prepares a student for advanced courses in an academic field. Prerequisites may be waived or substituted at the discretion of the appropriate department chair. A signed waiver form must be filed with the Records and Registration Office.

Note: Course prerequisites are listed in the course catalog and sometimes as a special notation listed with a course in this bulletin. A student without the appropriate prerequisite or waiver can be withdrawn from the course by the instructor.

Repeating a Course
A repeated course is automatically identified by the computer system. The grade and credits earned in the final attempt are calculated in the student’s academic average. All grades remain on the academic record. Students who receive financial aid should check with the Financial Aid Office before repeating a course in which a D or better grade was earned. Note: Students in Health Profession programs who wish to repeat a professional course must receive approval from the department chair and file a special permission card with the advisor.

Holds
Students who have unmet financial obligations or who have failed to comply with College requirements are not permitted to register or receive grades until the hold is cleared with the issuing office. Further, information relating to student records, such as certification of attendance and diplomas are also withheld.

Student ID and Parking Permit
Students can update their College ID or parking permit upon verification of payment at the Bursar Office in the Shepard Student Center in Middletown or Student Services Central in Kaplan Hall in Newburgh.

Visiting Students
SUNY Orange welcomes students from other colleges and universities who wish to enroll in credit courses. Visiting students hoping to transfer credits to their home institution should seek approval from their home institution prior to registering. Visiting students who need help with their course selection should call or visit the Advising and Counseling Center in Middletown or Student Services Central in Newburgh.

Withdrawal from Non-Developmental Courses
During the semester, a student may withdraw from a course by completing a withdrawal (drop) form that is available at the Records and Registration Office with an advisor’s signature. No record of the course appears on the student’s transcript if the course is dropped by specific dates (See Academic Calendar - www.sunyorange.edu/academic_services/calendar/). Thereafter, a grade of “W” is recorded. From these dates forward, the student would need to do an Official Withdrawal by the appropriate deadlines (see Official Withdrawal from College section) or the instructor may initiate an Instructor Withdrawal.

An instructor is not required to do an Instructor Withdrawal. Withdrawals are processed by the Records and Registration Office in Middletown or Student Service Central in Newburgh the day of receipt. Please keep this in mind since refunds are generated from the processing date.

Withdrawal from Developmental Courses
Students who are required to enroll in developmental courses must remain enrolled in them throughout the semester. A student may request permission to withdraw and must acquire signature approval from the appropriate administrator (Associate Vice President, Director of Academic Support or the Registrar) their Advisor and the Instructor in order to drop the course(s). Absence from class is not a sufficient reason when seeking permission to withdraw from a required developmental course. Students who are not required to enroll in developmental courses and choose to do so may withdraw with the signature of an Advisor. (See catalog for Learning Assistance Services/Developmental Education)

Official Withdrawal from the College
A student may withdraw from the College and from all current semester courses, including developmental, if he or she does so by the deadline below. The student should discuss the decision with his or her advisor prior to withdrawal.

The student must complete the Total Withdrawal from College Form and the Drop/Add Form with appropriate signatures by the dates noted on the Academic Calendar. Exit interviews with Counseling Center staff members are required for all admitted (matriculated) students. Students who receive any form of financial aid are required to obtain a financial aid officer’s signature. Non-Degree seeking students should complete and file the forms with Records and Registration in Middletown or at Student Services Central in Newburgh.

Withdrawal and Financial Aid Awards
Financial Aid students who withdraw or stop attending the college during the semester may have their current financial aid adjusted. Check with the Financial Aid Office regarding future aid eligibility.
