

# Fall 2022 Radiologic Technology Program Pre-Admission Seminar Schedule

---

Students applying to the Radiologic Technology program are required to attend **one Pre-Admission Seminar** prior to the application deadline (February 1<sup>st</sup>). This seminar must be attended within 3 years of the application deadline.

This seminar is an important and informative time when a Radiologic Technology instructor will describe the Radiologic Technology Program and the process for admission to this specific program. In addition, you will have an opportunity to ask questions about the Radiologic Technology Program. Prospective students will receive and sign off on information pertaining to health forms, drug testing and criminal background checks.

Failure to attend a seminar in its entirety will forfeit student's application for admission consideration. **Registration required!** No registered latecomers to the seminar will be admitted. Please note the seminar could take up to two hours so plan accordingly.

- **Participants must register using the link next to the session day/time.**
- **Participants may sign up for ONE session only. Seats are limited due to social distancing.**
- **Participants will receive an invitation through Google Calendars the day before the session. (No confirmation will be sent prior to the invitation).**
