Pre-Dental Hygiene Advising Worksheet

Students are placed in the AS Liberal Arts program until accepted into the AAS Dental Hygiene program (see reverse). **Pre-health students who receive financial aid and wish to take extra classes should refer to the AS Liberal Arts Program.**

Admissions Requirements

- Submit an online health profession application to the program at <u>https://sunyorange.edu/admissions/health_professions</u> **Please note that this application can serve as a general application to the College as well as the Dental Hygiene program**
- _____ Submit official high school transcript; or GED with score report
- _____ Submit official college transcripts (if applicable)
- _____ Eligible to take ENG 101
- Eligible to take MAT 102, or have completed MAT 101 with a grade of 2.00 (C) or higher.
- Completion of at least <u>one</u> of the following within 5 years of the application deadline: BIO110; BIO 101; BIO 111; BIO 112;
- or BIO 115 with a 2.00 (C) or higher; AP Biology (score of 3, 4, or 5); or a passing grade on the Biology CLEP exam.
 Completion of <u>one</u> of the following within 5 years of application deadline: HS Regents Chemistry course or equivalent with a grade of 75 or higher; passing grade on the Chemistry I CLEP exam; CHM 100 (formerly CHM 120) or another college
- Chemistry (with a lab) with a grade of 2.00 (C) or higher.
- _____ Minimum program GPA of 2.50 within required/recommended courses for application.

Department Specific Requirements:

- _____ Submit Dental Hygienist Observation Form or Activity within 3 years prior to the application deadline. Due to COVID-19, the 16 hours of direct observation of dental hygienists practicing can be replaced with videos and an activity describing your observations.
- Attendance at a Dental Hygiene department pre-admission seminar within 3 years prior to the application deadline. At this orientation, students receive and sign off on information pertaining to health forms, drug testing, and criminal record policies.

Selection Process:

- Applicants will be considered based on the total amount of non-clinical courses complete (please see below), program GPA and Science GPA. For Dental Hygiene, the following courses will be calculated in the Science GPA review: BIO 115, BIO 125 & MLT 106.
- The Office of Admissions will include all of non-clinical courses listed below, in which you receive a 2.00 (C) or higher, in the program GPA calculation and credit review process.

All of the above Academic and Department requirements must be completed <u>on or before February 1st</u> in order for a student to be considered for acceptance into the program for the fall semester. For complete information on our health profession requirements, please visit: <u>https://sunyorange.edu/admissions/health_professions/index.html</u>

*Though not admissions requirements, the courses below are required as part of the Dental Hygiene program and completing them will enhance your eligibility (25 credits). Please be aware that if you have not taken a course within its designated timeframe, you must retake it.
