

Fall 2020 Radiologic Technology Program Pre-Admission Seminar Schedule

Students applying to the Radiologic Technology program are required to attend **one** Pre-Admission Seminar prior to the application deadline (February 1st).

This seminar must be attended within 3 years of the application deadline.

The seminars will be online via Zoom this year. Below are scheduled seminar dates and times. Failure to attend a seminar in its entirety will forfeit your application for admission consideration.

Please note that the seminar could take up to two hours so plan accordingly as participants must attend the entire session for credit (no leaving early).

RSVP is required to attend as space is limited. A registration form and other required information will be posted on the Diagnostic Imaging homepage as well as directions. Failure to follow the directions means credit will not be awarded for seminar.

Although “virtual” participants must sign on 10 mins early for attendance and the session to start on-time.
