

LPN to RN Advising Worksheet

Admissions Requirements

Academic Requirements:

- _____ Submit an online health profession application to the program at https://sunyorange.edu/admissions/health_professions
Please note that this application will serve as a general application to the College as well as the Nursing program
- _____ Submit official high school transcript or GED
- _____ Submit official college transcripts (if applicable)
- _____ Completed ENG 101
- _____ Eligible to take MAT 102; or have completed MAT 101 or equiv. with a 2.00/“C” or higher
- _____ Completed BIO 111 Anatomy & Physiology I with a 2.00/“C” or higher within five years of application deadline (*Students are waived from taking BIO 101 and BIO 102; or BIO110; as prerequisite to BIO 111*)
- _____ Completion of MLT 106 Microbiology for Health Professionals with a 2.00/“C” or higher within 5 years of application deadline (*Students are waived from taking BIO 101 and BIO 102; or BIO110; as prerequisite to MLT 106*)
- _____ Completion of one of the following within 10 years of application deadline: HS Regents Chemistry course or equiv. with a grade of 75 or higher; CHM 100 (formerly CHM 120); college Chemistry w/lab (all with a grade of 2.00/“C” or higher); or a passing grade on the Chemistry I CLEP exam
- _____ Minimum program GPA of 2.75 within required/recommended courses for application (except HS Chemistry Regents course)

Department Specific Requirements:

- _____ Submit official LPN Program transcript
- _____ Submit proof of licensure
- _____ Meet the criteria for articulation transfer (see note^ below) or receive “B” on the Excelsior College Examination for Fundamentals of Nursing. Refer to our website for more information: http://sunyorange.edu/nursing/ed_mobility.shtml
- _____ Take the ATI TEAS exam within 2 years of application deadline, and obtain a minimum score level of BASIC. Students who obtain a higher score will receive stronger consideration. To review FAQs, and information about payment and scheduling, visit https://sunyorange.edu/admissions/health_professions/healthforms.html

After applying, students may be contacted by the Nursing Department to complete the following requirements:

- _____ Successful completion of the SUNY Orange Nursing Bridge I course (N3029). Students will be contacted regarding approval to register for this course.
- _____ Grade of 90% on Clinical Calculations Skill Examination Level I (to be given at conclusion of the Nursing Bridge course).
- _____ Satisfactory skills performances (to be evaluated during the Nursing Bridge course).

Selection Process:

- Students will be considered for admission into this program based on the completion of all academic and department specific requirements, ATI TEAS results, highest combination of program GPA and credits completed towards the program (see below), and seats available.
- The Office of Admissions will include all of your pre-requisite courses, in which you receive a “C” (2.00) or higher, in the program GPA calculation and credit review process.

All of the above Academic and Department requirements must be completed and submitted by June 1st in order for a student to be considered for acceptance into the program for the fall semester in Newburgh or by October 1st for acceptance into the program for the spring semester in Middletown.

***Below are the remaining non-clinical courses for the Nursing Program.** Please be aware that if you have not taken a course within its designated timeframe, you must retake it.

Course Number	Course Name	Crns.	Semester	Year	Grade
ENG 102	Freshman English II	3			
PSY 111	Intro. to Psychology (<i>must have been completed within 10 yrs of application deadline</i>)	3
