

Pre-Dental Hygiene Advising Worksheet

Students are placed in the AS Liberal Arts program until accepted into the AAS Dental Hygiene program (see reverse).

Pre-health students who receive financial aid and wish to take extra classes should refer to the AS Liberal Arts Program.

Admissions Requirements

- _____ Submit an online health professions application to the program (https://sunyorange.edu/admissions/health_professions/index.html)
Please note that this application can serve as a general application to the College as well as the Dental Hygiene program
- _____ Submit official high school transcript; or GED with score report
- _____ Submit official college transcripts (if applicable)
- _____ Eligible to take ENG 101
- _____ Eligible to take MAT 102, or have completed MAT 101 with a grade of 2.00 (C) or higher.
- _____ Completion of at least one of the following within 5 years of the application deadline: BIO110; BIO 101; BIO 111; BIO 112; or BIO 115 with a 2.00 (C) or higher; AP Biology (score of 3, 4, or 5); or a passing grade on the Biology CLEP exam.
- _____ Completion of one of the following within 5 years of application deadline: HS Regents Chemistry course or equiv. with a grade of 75 or higher; passing grade on the Chemistry I CLEP exam; CHM 120 or another college Chemistry (with a lab) with a grade of 2.00 (C) or higher.
- _____ Minimum program GPA of 2.50 within required/recommended courses for application (except HS Chemistry Regents).

Department Specific Requirements:

- _____ Submit Dental Hygienist Observation Form (16 hour min.) within 3 years prior to the application deadline.
 - _____ Attendance at a Dental Hygiene department pre-admission seminar within 3 years prior to the application deadline. At this orientation, students receive and sign off on information pertaining to health forms, drug testing, and criminal record policies.
- *Pre-admission seminar dates and observation forms are available online at <http://www.sunyorange.edu/admissions/healthforms.shtml>*

Selection Process:

- Students will be considered for admission into this program based on the completion of all academic and department specific requirements, highest combination of program GPA and credits completed towards the program (see below), and seats available.
- The Office of Admissions will include all of non-clinical courses listed below, in which you receive a 2.00 (C) or higher, in the program GPA calculation and credit review process.

All of the above Academic and Department requirements must be completed on or before February 1st in order for a student to be considered for acceptance into the program for the fall semester. For complete information on our health profession requirements, please visit: https://sunyorange.edu/admissions/health_professions/index.html

***Though not admissions requirements, the courses below are required as part of the Dental Hygiene program and completing them will enhance your eligibility (25 credits).** Please be aware that if you have not taken a course within its designated timeframe, you must retake it.

Course Number	Course Name	Credit	Semester	Year	Grade
