**\*Students are placed into the AS Liberal Arts program until accepted into the AAS OTA Program (see reverse) \***

**\*Please note, the four-semester sequence for OTA will include Intermediate Algebra or Statistics & Oral Communication\***

## Academic Requirements

- English pre-requisite:** Eligible to take ENG 101, Freshman English I
- Math pre-requisite:** Eligible to take MAT 102 or completed MAT 102 – Intermediate Algebra or MAT 120 – Statistics with a “C” or higher.
- Biology pre-requisite:** Completion of at least one of the following within 5 years of the application deadline: BIO110; or BIO 111; or BIO 112; with a grade of “C” or higher; AP Biology (score of 3, 4, or 5); or a passing grade on the Biology CLEP exam. For Fall 2027 applicants, the biology pre-requisite must have been completed after February 1, 2022.
- Minimum program GPA of 2.40** within non-clinical program courses (outlined below).

## Department Requirements

- Observations:** Submit Occupational Therapy Assistant Observation Activity Form completed within 3 years of the application deadline. For Fall 2027 applicants, observations must be completed after February 1, 2024
- Pre-Admission Seminar:** Attend an Occupational Therapy Assistant department pre-admission seminar within 3 years of the application deadline. For Fall 2027 applicants, the seminar must have been attended after February 1, 2024.
- Potential Interview:** If eligible, students will have a follow-up interview, compose an essay, and perform a problem-solving activity with the Department Chair.

## Application Requirements

- Submit a Health Profession Application:** [https://sunyorange.edu/admissions/health\\_professions/index.html](https://sunyorange.edu/admissions/health_professions/index.html)  
\*\*Please note that this application can serve as a general application to the College as well as the Occupational Therapy Assistant Program. Students who are not already attending SUNY Orange are initially accepted with an AS Liberal Arts major until they are accepted into the AAS Occupational Therapy Assistant Program.
- Submit official high school transcript or GED with score report**
- Submit all official college transcripts** (if applicable)

**All of the above requirements must be submitted to the Office of Admissions by February 1, 2027 in order to be considered for acceptance into the program for the Fall 2027 semester.**

## Non-Clinical Program Courses

Though not required to be eligible to apply for the program, the courses below (26 credits) are required as part of the Occupational Therapy Assistant Degree and completing them prior to applying for the program will strengthen your application. Please be aware that if you have not taken a course within its designated timeframe, you must retake it in order for it to be considered in the review of your application. Only courses completed with a grade of C or better as of the application deadline will be considered. Transfer students will have letter grade(s) from the appropriate courses at previous institutions considered when evaluating the program GPA.

Program begins every fall (August) in Middletown | October 1<sup>st</sup> Application Opens - February 1<sup>st</sup> application deadline

## Selection Process

- All non-clinical program courses listed above with a grade of C or better will be included in the program GPA calculation and credit review. Transfer students will have letter grade(s) from the appropriate courses at previous institutions considered when evaluating the program GPA.
- Applicants will be considered based on the completion of all academic, department, and application requirements, the on the total number of non-clinical program credits completed (see table above), program GPA and science GPA. For Occupational Therapy Assistant, the following courses will be calculated in the science GPA: BIO 111 and BIO 112.
- For complete information on health profession program requirements, including a breakdown of how points are calculated, visit: [https://sunyorange.edu/admissions/health\\_professions/index.html](https://sunyorange.edu/admissions/health_professions/index.html)
