

How to View and Print your Semester Course Schedule

Your course schedule lists all of the courses that you are enrolled in for a particular semester. It will show you the start and end dates for your courses, the day and times that your courses meet, the instructors, as well as where the courses are located.

1. Go to the SUNY Orange homepage <http://www.sunyorange.edu/>
2. Click on MySUNYOrange and login
3. Click on the Student Academics tab
4. Click on View Course Schedule
5. Select the appropriate term and click Submit

Your schedule will show the name of the course, the campus, the meeting days and times, the building and classroom number, the start and end dates of the course and the instructor(s).
