

## **Who Can Register Online?**

If you are a continuing student, seeking a degree, taking classes at the time registration begins and are eligible to take or have taken ENG 101, you are eligible to receive a PIN number to register online. Students who have skipped a semester and wish to register, must meet with an Academic Advisor.

You can use your PIN to register for courses online and make changes to your schedule. You will need to meet with your Academic Advisor to obtain your PIN.

Your PIN will be different each semester and will be de-activated at the end of the Add/Drop period in Week 1. You will only get one PIN for Summer and it will be de-activated at the end of the Add/Drop Period in Summer 1. You are strongly encouraged to register sooner rather than later. If you have a hold on your account, you may not be able to use your PIN to register. Please refer to the video “How to View my Holds” on the “Student Services/Resources” tab to learn how to locate your holds.
