

SUNY Orange Policy Manual

Policy Number	Policy Title
BP2.15	Vice Presidents

The President and Vice Presidents of the College have primary responsibility for the application of College policies. This is consistent with their responsibilities as managers and appointing officers.

The President designates the authority to manage the administrative activities of the College to the **Vice President for Administration**. The areas of oversight include:

- Facilities Management
- Safety and Security
- Human Resources
- Finance and Budget
- Institutional Planning, Assessment and Research

The President designates the authority to manage the academic affairs of the College to the **Vice President for Academic Affairs**. The Vice President for Academic affairs shall prepare and promulgate academic policies and procedures to assist students, faculty and staff. The areas of oversight include:

- Academic Divisions (Liberal Arts, Health Professions and Business, Math, Science & Technology)
- Libraries
- Continuing and Professional Education
- Center for Teaching and Learning
- Office of Educational Partnerships
- Educational Assistance Services
- Cultural Affairs
- Lab Schools
- Interdisciplinary Studies
- Athletics
- Hudson Valley Educational Consortium
- Honors Program
- Phi Theta Kappa

SUNY Orange Policy Manual
