Policy Number	Policy Title
BP5.11	Online Student Verification

In accordance with the United States Federal Higher Education Opportunity Act (HEOA), Public Law 110-315, Orange County Community College has established procedures to ensure that a student who registers in an online course is the same student who participates in and completes the program, and receives academic credit for the course. Students are required by the College to use a secure login and password to participate in online courses. All policies, procedures and penalties set forth in the Student Code of Conduct shall apply to students participating in online courses.

The Board of Trustees directs the President to develop such procedures as to fairly implement this policy.
