

SUNY Orange Policy Manual

Policy Number	Policy Title
BP5.3	Instruction Offered Externally

The College will provide educational opportunities sufficient to meet the needs of the citizens of Orange County and the state of New York. The State University of New York recognizes two categories of external offerings: off-campus credit and non-credit instruction, and distance education. Off-campus instruction is defined as traditional face-to-face classroom instruction that occurs at a location away from the home premises of the institution. Distance education is defined as a formal educational process in which the majority of the instruction occurs when student and instructor are not in the same place and the instruction is delivered using technology.

The Board of Trustees directs the President to develop such procedures as to fairly implement this policy.
