

SUNY Orange Policies and Procedures

Policy Number	Policy Title
BP6.10	Course Substitution

Appropriate academic courses may be substituted for other courses when it is determined that the substituted course is in the best interest of the student's declared educational objective and for the student to fully complete academic degree or certificate requirements. The substituted course form is available from the Registrar's Office and must be approved by the department chair and the program Academic Associate Vice President.

The Board of Trustees directs the President to develop such procedures as to fairly implement this policy.
