

SUNY Orange Policies and Procedures

Policy Number	Policy Title
BP6.7	Academic Standing

Orange County Community College will establish categories of academic standing based upon students' academic performance. These categories and standards will be defined in the College's Academic Policy Manual. Each of these categories will have defined criteria related to academic progress that will provide guidance to students and College staff regarding a student's academic privileges.

The Board of Trustees directs the President to develop such procedures as to fairly implement this policy.
