

# SUNY Orange Policies and Procedures

Policy Number	Policy Title
<b>BP6.9</b>	<b>Student Organizations</b>

As a prerequisite to operating on campus, all clubs must be chartered by the College and must agree to abide by regulations of the Board of Trustees and club rules issued by the College administration. Clubs shall be established in accordance with the Student Government Association Constitution. Each club must have a faculty member or staff member currently employed by the College as its club advisor. No club will be established or allowed to operate which discriminates against students or employees in any manner, or violates state or federal law, or College policies.

The Board of Trustees directs the President to develop such procedures as to fairly implement this policy
