

SUNY ORANGE

ENCORE

Program for Lifelong Learning

WELCOME TO THE ENCORE NEWSLETTER

Here we will endeavor to bring you up to date with some of the events, etc. that did and will be happening in Encore.

It was with great regret that at our May meeting we had to say good-bye to long time Steering Committee member Bob Foglia. Our Steering Committee members had a pleasant lunch with Bob & his wife to say good-bye and let him know how much he would be missed. We wish Bob much happiness in his future endeavors.

Although Bob will be greatly missed, he has left Brenda Maxwell Presnal as his very competent replacement. "WELCOME" Brenda! We look forward to a long and productive association with you in Encore.

Our yearly meeting took place this year on June 6th with Blueberry Mt. providing the ice cream. The meeting was in the form of an Ice Cream Social. Everyone seemed to have a good time; any comments should be directed to the Steering Committee.

TRAVEL TIME

In May we also had a very enjoyable trip to our NYS Capitol in Albany. Members spent the morning learning the history of the Hudson Valley at the museum and had a guided tour of the capitol after lunch. It was an excellent trip and we thank Linda Sullivan for her hard work putting the trip together.

Be on the look out for our fall trip to the home of Mark Twain in Hartford, CT. SPOILER ALERT! There is a rumor Mark Twain's butler, George, will be joining us for lunch.

Our Fall 2019 schedule has been set with a variety of classes from games to history to physical activity. Class schedules and registration forms will go out in August. Enrollment will be at that time. The schedule will also be posted on our web site.

Speaking of our website ... we unfortunately lost the "brains" of our web site when Chris Godwin moved south last year. Unfortunately, that left the site unattended for quite some time. We apologize for the inconvenience but are pleased to announce we have Eric Grove from SUNY Orange IT Dept. coming on board to bring us back up to speed. Eric hopes to have all the necessary updates done soon. "WELCOME", Eric, we look forward to working with you.

We would like all our Encore members to know, as members of Encore you may use the SUNY Orange library & pool when they are open and NOT in use by the college. Any questions you may have about Encore, our programs or trips, please speak with any of our Steering Committee members or call the office at 845-341-4896.

HAVE A SAFE & HAPPY SUMMER!
