

CHECKLIST FOR FAFSA

☐ **Create PIN**

- Before beginning the Free Application for Federal Student Aid (FAFSA), you must apply for a Personal Identification Number (PIN) at pin.ed.gov. The PIN will allow you and your parents to sign your FAFSA electronically.

☐ **Complete FAFSA**

- The FAFSA is to be completed online at fafsa.ed.gov. Once the FAFSA has been completed, processed and sent to SUNY Orange (usually 5-10 days), then you can login to MySUNYOrange, under the financial aid tab, to see any “unsatisfied requirements” that you might need to complete. Not completing these requirements will hold up awarding you your aid.
