All Students receiving financial aid from SUNY Orange must abide by the Federal and State's Satisfactory Academic Progress (SAP) standards for financial aid. Students who do not meet these standards lose their financial aid eligibility.

Students who have attempted over 99 credits (FED150) and have not yet graduated with an Associates' degree are ineligible for Federal Aid. However, if you have graduated with an Associates' degree you are eligible to complete a FED150 SAP Review Request to have your SAP re-evaluated to see if you qualify to receive Federal Aid.

To request a FED150 SAP Review, you must complete and submit this form. **Submitting a FED150 Review Request appeal does not guarantee approval to reinstate your eligibility for receiving financial aid. The decision of the Appeals Committee is final.**

Deadlines: FED150 Review Request should be submitted by **June 1st** for Summer 2021, **June 15th** for Fall 2021, and **December 15th** for Spring 2022, to ensure that Financial Aid funds which you may be eligible for are in place by the payment-due date. **If a review request is submitted after the deadline date you will need to make arrangements for alternative means of payment until your Financial Aid can be processed, using your own funds or participating in the Tuition Payment Plan.** Review Requests submitted after the current deadline will be evaluated for the following semester, and will **NOT** be accepted for the current semester.

I, _____, have graduated with an Associates' degree and would like to request a FED150 Review of my Federal Satisfactory Academic Progress (SAP).

- I understand the requirements for submitting my request and hereby request that my case be considered for review.
- I understand the Financial Aid Appeals Committee may either *deny or approve* this request.
- I also understand that the decision of the Financial Aid Appeals Committee is FINAL.
