

There's never been a better time to save more for retirement.

Enroll in the SUNY Tax-Deferred Annuity

If you are already enrolled in the State University of New York Retirement Plan – ORP or an NYS retirement plan (TRS or ERS) – but have not yet started to save with the SUNY Tax-Deferred Annuity (TDA) Plan, simply follow the steps below to sign up. Also, if you contributed to the TDA Plan previously and would like to restart your tax-deferred contribution, you can do that as well.

Participating in the State University of New York Voluntary Savings Plan (also called the Tax-Deferred Annuity Plan and 403(b) Plan) provides you with an additional opportunity to save for retirement on a pre-tax basis. Remember, all contributions plus any earnings accumulated are tax-deferred, and you pay no taxes until you receive your accumulations in retirement.

Once you've enrolled in the Retirement Plan – ORP, ERS, TRS – or even if you declined participation in the Retirement Plan, you can still participate in the Tax-Deferred Annuity Plan any time during your employment at SUNY. For 2016, the IRS limits for salary deferral retirement plans are as follows:

If you are under age 50	Your 2016 TDA contribution limit is	\$18,000
If you are age 50 or over	Your 2016 TDA contribution limit is	\$24,000

Take steps to enroll in the SUNY TDA now!
