

Connecting to SUNYOrange Wi-Fi: iOS Devices

1. Open the Settings app and choose the Wi-Fi tab.
2. Choose **SUNYOrangeConnect** from the list of Wi-Fi networks.
3. You **must** open Safari as a browser for these instructions to work. Once opened, navigate to the portal at **my.sunyorange.edu**.
4. Once logged in to the portal, navigate to **wifi.sunyorange.edu**
5. Check the box on the bottom of the page to accept the Terms & Conditions and the click **Start**.
6. You may be asked to install a configuration profile on your device. Click **Allow** and this should open your Settings app.
7. You may then be asked to Install the Profile. Click **Install**.
8. Go back to the Wi-Fi tab in the Settings app and click the ⓘ icon next to SUNYOrangeConnect.
9. Choose **Forget this network**.
10. Connect to SUNYOrangeST if you are a Student or SUNYOrangeFS if you are Faculty/Staff.
