

Application for an Embedded Librarian

Please submit your application to Susan Parry by May 31, 2012. We are able to support a limited number of courses each semester, but are happy to discuss assignments and information literacy with you at any time. Please refer to our website or contact any librarian for further information.

Name: _____ Department: _____

Semester: _____ Course number: _____

Class meeting times: _____ Email/Phone: _____

Campus: _____

Librarian interested in working with: _____

Have you contacted a librarian to discuss the possibility of working together? _____

I would like a Librarian to participate (please circle your choice):

___ Classroom, Full-semester ___ Classroom, Limited ___ Distance, Full-Semester ___ Distance, Limited

Approximate dates: Starting _____ Ending _____

If we are unable to accommodate your request this semester, would you be interested in a workshop or meeting with a Librarian to discuss Information Literacy and your assignments?

What kind of research assignment(s) do you require your students to complete (please attach if possible)? Are you interested in creating a new research assignment or adjusting your old assignment?

Why are you interested in working with a librarian this semester? What are your goals for your students? What are your goals for infusing information literacy into your course and assignments?
