Nursing III Kit

Equipment kit of nursing supplies required for Nursing III  
students. This kit is only available in the college bookstore.

Kaplan Nursing

The Basics Book. To purchase this book, you will need to  
first go to the college bookstore and purchase a card that  
indicates you have paid for the textbook. Bring that card  
with you to class on the first day. Be sure to save your  
bookstore receipts as well. Kaplan representatives will be  
available to distribute the books and review the process for  
online access for Kaplan Nursing. The online secure access  
to Kaplan homepage provides study skills workshops,  
practice tests, secured tests, test results, remediation  
resources and NCLEX-RN® prep materials.
