| When students must withdraw from the College or course(s) due to their personal medical condition, they must obtain written verification from the physician/ mental health professional and include all other required withdrawal forms. All such information given to the College is treated as confidential and privileged, as allowable by law. The student's request for a medical withdrawal should be submitted to WellnessCenter@sunyorange.edu before the end of the semester in which the condition occurs. The Director of the Wellness Center will decide on the request for a medical withdrawal and inform the Registrar of decision. The student has the right to appeal this decision to the VPAA using the academic grievance procedure. Note that withdrawals approved for medical reasons do not generate an automatic refund of tuition, waiver of the physical education requirement.
