It is SUNY Orange's policy to only transfer in credits that are applicable to the student's current degree or intended degree (in the case of our health profession programs). This is the only way to guarantee the course(s) will be applied towards your current program of study.

Please note, a maximum of 30 transfer credits total may be applied towards your SUNY Orange Degree. Only courses in which the student has received a grade of at least "C" will be considered. Courses and credits (but not grades) are accepted. Transfer credits do not affect the cumulative SUNY Orange GPA.

Please be advised that this form does not replace the SUNY Cross Registration Form. If your intent is to be a Cross Registered student you must submit the official SUNY paperwork.
