

FINAL EXAM SCHEDULE OF DAY CLASSES, MIDDLETOWN AND NEWBURGH LOCATIONS
MAY 11, 12 & 13TH

1. Most classes are scheduled in one of 12 time slots by corresponding section code. For example, section “M” courses will meet at 1:00PM on Thursday May 12th, while “F” sections will meet at 1:00PM on Wednesday May 11th.
2. HOWEVER, THERE ARE EXCEPTIONS. Classes which will **NOT** meet during the time period reserved for their section code are listed *individually*. Classes which will **NOT** meet in their regular classroom are also listed *individually*.
3. If you have two exams scheduled for the same time, please see your instructor immediately about resolving the conflict.

NOTE TO INSTRUCTORS: This is a special exam schedule as it only meets for three days. Each day has been divided into four time slots instead of the traditional three time slots for a day. Make note of the different beginning times for each section. Please announce to your class when their exam is being scheduled.
