To receive this type of academic support, you must complete the Academic Support Application which has a section for input from your instructor. Scheduling depends on tutor availability and your availability matching. An attendance policy is in place for scheduled tutoring. Students must have good class attendance and bring their course notes and textbook to scheduled tutoring sessions.

### **Writing Centers (BT 360; Kaplan 225)**

All current students may drop-in for help, be referred by their instructors, or be required to use Writing Center services by their course. Full-time English faculty and professional tutors will help you with any writing needs you have. Day and evening Writing Center hours are posted at the labs each semester.

### **Reading Centers (BT 362/364; Kaplan 223)**

The Reading Center is a dedicated lab offering individualized instruction to all students enrolled in Reading and Study Skills I and Reading and Study Skills II. All reading students are required to attend a weekly lab hour specifically designed to help strengthen comprehension skills and expand vocabulary.

## **BATCAVERN (RCSE 306); BATCAVERN II (Kaplan 230)**

These facilities are learning resources for students in the Biological Sciences and the Health Professions Programs. They are places for students to meet for individual and small group study as well as for scheduled tutoring.

The BATCAVERNS offer students access to a full range of anatomical models and related instructional aids including CD-ROMs, Videotapes, and review materials. Students can also access the internet and use computers offering the Microsoft Office programs Word, Excel, and PowerPoint to assist with preparing lab reports, research papers and presentations.

## **Academic Standing, Probation & Separation**

The College has defined the following academic categories for students:

**Good Academic Standing:** Students who have achieved a CGPA (cumulative grade point average) of 2.0 or higher at the College are designated in good academic standing.

**Academic Probation:** Students who have achieved less than a 2.0 CGPA (cumulative grade point average) at the College are placed on academic probation. Students on academic probation may continue study; however, they may not enroll in more than 14 credits in fall/spring semester or 6 credits in a summer session. **Academic Separation:** Students who have attempted 30 credits or more at the College, who have a CGPA of less than 1.5 and a GPA (semester grade point average) of less than 2.0 are separated for a period of one calendar year. However, students who have attained a GPA of 2.0 or higher are placed on academic probation. Those students who are separated may not enroll in any credit course offered in the day, evening, weekend, or summer of any semester or session offered by the College, at any site, during this period. The above policies governing academic separation and probation apply to all students (full-, part-time, admitted, and non-admitted students) except developmental students. Grades of W, I, H, M or N, are not counted as credits attempted. Pass or fail

grades earned in developmental courses are not counted as units/credits attempted (Board Policy 6.7)

### **Academic Advising Office**

The Academic Advising Office assists students in deriving maximum benefit from their college experience and in developing the full range of their educational potential. The Academic Advising Office is staffed by professionals who work from a developmental perspective to help students clarify their academic and career goals, identify obstacles, and explore available resources for achieving those goals.

This office also provides transfer workshops and arranges visitations by 4-year transfer representatives from a variety of institutions throughout the year. During our traditional Transfer College Fair, approximately 70 public and private college and university representatives visit campus to meet and discuss their programs with students.

### **SUNY Transfer Guarantee**

All New York residents who transfer directly from a SUNY or CUNY two-year college with an A.A. or A.S. degree are guaranteed admission to a four-year SUNY College for full-time study. The transfer guarantee becomes effective if a student

is denied admission at all four-year college choices. Please refer to [www.suny.edu/student](http://www.suny.edu/student) for applications, and important eligibility and deadline requirements.

### **Accessibility Services**

Our mission is to serve students with documented physical/medical, visual, learning, emotional, or hearing disabilities who have been accepted at SUNY Orange.

Students must present appropriate medical or psychological documentation for the stated disability. Documentation may also include suggestions for compensatory strategies, adaptive devices, or other support services that would benefit the student. Documentation will remain confidential and will be maintained by OAS. This information will be considered confidential and is to be shared within the institution on a need-to-know basis only. Disability records may be destroyed five (5) years after the student's enrollment.

The Office of Accessibility Services serves as a national voter registration site. The staff in OAS is happy to assist any student in filling out or submitting an application to vote.

### **Auditing Courses**

Students who do not wish to earn credit or a grade should complete a special permission form available at Student Services Central when they register for courses. Students may, however, change status from audit to credit or vice versa, if they file the special permission card by the end of the third week of classes (or its equivalent). Some courses, such as Nursing, are not subject to audit.

Those students who are receiving financial aid should consult with the Financial Aid Office before registering for or changing to audit status.

**College Responsibility:** The College is responsible for communicating with students in a timely and accurate way about changes in policies, procedures and deadlines that affect them. The College will select the most appropriate method (mail, telephone, e-mail) to convey pertinent information to specific groups of students. In some cases, e-mail may be used exclusively.

Routine announcements, administrative and academic dates and deadlines, and information of a general nature will typically only be sent by e-mail.

The College is not responsible for e-mail that is not delivered to a forwarded address or for spam filters that may block e-mail messages. The student's failure to receive or read e-mail communications does not constitute an excuse for missing College communications or meeting College deadlines.

**SUNY Orange Student Grapevine** College information to students is communicated twice weekly through the e-newsletter, the *Student Grapevine*. The *Student Grapevine*, will include announcements, schedules of events, and notifications of College deadlines, and will replace most mailings, flyers and postcards that are currently distributed to students. First-year EOP students also participate in a mandatory 2-week summer program designed to reinforce student success.

Students enrolled in EOP receive support services including career planning, academic advising, financial literacy and financial assistance. ## Graduation and Commencement Exercises

Graduation and participation in the commencement ceremony are not automatic. Students must initiate the process themselves. A Graduation Application must be submitted by students anticipating completion of **ALL** program/degree requirements according to the deadlines listed in the Academic Calendar.

The College graduates students in May, August and December and holds a commencement ceremony in May each year. If you complete your degree requirements at the end of the Fall semester or during the summer session, you are invited to participate in the commencement ceremony the following May.

Applying for graduation initiates review and conferral of degrees only. You will receive commencement information from the Office of the Vice President for Student Services. These letters are stamped "Important Graduation Information". Save these letters as they contain important information you need concerning the Commencement Exercises. You can see all information about graduation and the commencement ceremony at the Registrar's website and at <http://www.sunyorange.edu/commencement>.

As per Academic Policy, participation in the College's Commencement ceremony is limited to the following students and criteria: those who met the requirements

of a program, registered by the New York State Education Department and the State University of New York; potential August graduates who have no more than 6 credits remaining or two courses which do not exceed 8 credits left to finish over the subsequent Summer Semesters. Students must meet all other requirements for their degrees, have at least a 2.0 cumulative GPA at the end of the Spring semester, and apply for May commencement by the due date. No degree shall be conferred until all requirements for graduation have been met.

All outstanding obligations to SUNY Orange (tuition, fees, books, etc.) must be satisfied before your diploma or certificate will be released.

### **Identification Card**

All full and part-time credit students receive an I.D. card after registering. This is the final step of the registration process. Your I.D. card must be validated each semester. The I.D. card also serves as a library card and a student activity pass which enables you to gain free admission or a special student rate to the various activities. Loss of a card must be reported to the Center for Student Involvement Office or Security. A replacement can be obtained from that office at a cost of \$15.00. All students are required to obtain an I.D. and are strongly encouraged to carry it when on campus.

### **Immunization Requirements**

New York State Public Health laws require that all students born on or after January 1, 1957, who wish to enroll for six or more credits in any one semester, provide proof of immunity to measles, mumps and rubella (MMR).

Most students can obtain their immunization records from other colleges they have attended, their high school health office, or their doctor's office. The records

submitted must be stamped and signed by the issuing office.

***Students who do not comply with immunization requirements may be disenrolled from the college.***

In addition, all students, regardless of age, must sign and return the college's ***Meningitis Response Form***, indicating they have received the information about meningococcal disease and have either received or waived the vaccine.

## Library Services

The SUNY Orange Libraries located on the Middletown and Newburgh campuses are designed to function as both a traditional environment of quiet study space and as a state-of-the-art information commons. The libraries house a variety of study spaces, including carrels for individual study, tables for group work and designated quiet-study areas. While in the Library, students are asked to respect the needs of others, to engage in behavior that supports the academic learning environment, and to adhere to the Library Code of Conduct.

The Information Commons are busy, centrally located areas where students can access academic and technology resources necessary to support their learning and research. Within the Commons, the Library provides traditional research tools and reference materials, Microsoft Office software, and both wired and wireless internet access. The electronic databases provide full-text and full-image journals, magazines and newspapers. A Help Desk is located adjacent to each Commons and is staffed by librarians and support staff to assist students with their research needs.

Workshops and instruction sessions designed to help students acquire and improve library research skills are offered by Library faculty. A schedule of workshops is available online and within the Library.

The student's College identification card serves as a library card and is required to borrow books, videos and reserve readings; to utilize the computers in the Information Commons; and to access the databases from off-campus.

The Library website [www.sunyorange.edu/lrc](http://www.sunyorange.edu/lrc) and contains detailed information regarding library services, hours, policies and includes instructional guides that are designed to assist students with their research needs. For questions or reference assistance, students may call the Library.

### **Safety & Security**

The College provides campus security services and regularly reviews the qualities of those services to ensure students, staff and faculty are protected at all times, and that the College is prepared to handle any situation that may arise. In order to successfully prevent crime, Campus Safety and Security needs the support, cooperation, and individual involvement of all members of the campus community.

Emergency Procedures are outlined on the Safety and Security website <http://www.sunyorange.edu/safety/procedures.shtml> together with Safety and Security resources, the College Emergency Management Plan, and the most recent Campus Safety Report.

To assure that SUNY Orange has a method to contact its faculty, staff and students in the event of an emergency, the College will require each member of the campus community to register for the New York Alert system. New York Alert is an automated emergency messaging system that the College will utilize to inform folks of emergencies or unforeseen crises in a timely manner. New York Alert allows you the option to receive emergency messages via land-line telephone, cell phone, e-mail or text message. The College encourages you to register for as many contact methods as possible so that you are assured of receiving these critical emergency alerts.

You must notify the College of any and every change in your local address.

We help students to achieve their academic, personal and career goals by providing support with: selecting a major and appropriate courses; exploring transfer schools; improving financial literacy; discovering and applying for scholarships; accessing tutorial and other support services; researching careers; improving study and organizational skills; and overcoming personal barriers to success.

For more information, please call the TRiO office at (845) 342-4175.

### Veteran Services

The College's Veterans Certifying Officials and the Veteran's Services Coordinator have offices located on the third floor of the Shepard Student Center. They provide benefits information and enrollment certification and links to college and county resources to meet the needs of military veteran students and their dependents. A complete resource page for veterans can be found at [www.sunyorange.edu/veterans](http://www.sunyorange.edu/veterans).

### Waiver of Physical Education for Health Reasons

Students seeking a waiver of physical education as a graduation requirement because of a physical limitation must follow this procedure:

- Obtain a Physical Education Waiver Request form from the office of the appropriate associate vice president.
- Give the Physical Education Waiver Request form to their physician (He or she must read it before sending a letter requesting a physical education waiver).
  - Have your physician write a letter using his or her letterhead and following the instructions on the Physical Education Waiver Request form.
- Return the physician's letter to the office of the appropriate associate vice president.

**Note:** Even though a physical education activity waiver is granted, students will still be required to take the one credit Concepts of Physical Wellness course, which is a lecture course and not an activity course if required for their program of study. This applies to all students, regardless of when they were admitted to

the College. Students with long-term disabilities should make application for physical education waivers during their first semester at the College.

### **Wellness Center**

The Wellness Center is open to all students free of charge. All visits are kept confidential. The Center's mission is to promote health education and wellness for the entire campus community, and to assist students in reaching their college and career goals. The Wellness Center also maintains all student immunization and health records.

Registered nurses are available in the office to consult with students regarding common health concerns, such as cold and flu symptoms, minor injuries, headaches, etc., and more serious issues, such as eating disorders, alcohol and substance abuse, and pregnancy. Nurses also serve as first responders when illness and injury occur on campus, to provide first aid and referrals to health providers as needed.

Personal counselors are available to assist students with mental health issues such as anxiety, depression, stress management, PTSD, and more via short-term counseling and referral to community services. Personal counselors also promote several wellness initiatives each semester, including stress management, substance abuse assessment, and suicide prevention.

### **Withdrawal from a Course**

When a student finds it necessary to withdraw from a course(s), he or she must complete and file the Drop/Add Form with Student Services Central by the withdrawal deadline stipulated in the Academic Calendar. A student who officially withdraws from a course(s) by the end of the twelfth (12th) week or its equivalent, will receive a grade of W. After the twelfth (12th) week or its equivalent, the student will receive the grade that he or she earned in the course.

Students who are required to enroll in developmental courses must remain enrolled in them throughout the semester. A student may request permission to withdraw and must acquire signature approval from the appropriate administrator (Associate Vice President or designee) in order to drop the course(s). Absence from class is not a sufficient reason when seeking permission to withdraw from a required developmental course.

If you receive financial aid you should check with that Office prior to withdrawing since it may impact current or future aid awards.

### **Withdrawal from the College**

A student may withdraw from the College and from all current semester courses, including developmental, if he or she does so by the deadline. The student must complete the Total Withdrawal from College Form and the Drop/Add Form with appropriate signatures by the dates noted on the Academic Calendar. Exit interviews with an academic advisor are required. Students who receive any form of financial aid are required to obtain a financial aid officer's signature.

### **Student Rights and Responsibilities**

Orange County Community College is proud of its reputation for academic excellence and the safe and conducive environment for learning which exists on the Middletown and Newburgh campuses.

In an effort to maintain the quality of life, both in and outside of the classroom setting, the College has adopted various codes, policies and grievance procedures for the benefit of all students.

### **Academic Grievance Procedure**

The purpose of the Academic Grievance Procedure is to encourage the informal resolution of academic issues that might surface between students and faculty in a manner that is timely and upholds standards of academic integrity.

In the event that students and faculty are unable to resolve an academic issue, the formal stage provides additional fair and equitable procedures for students. Students should understand that each stage of the process is an important one; therefore, it is not possible to move through the process unless previous stages have been followed. The procedure must be utilized by all students regardless of the location at which the grievance has arisen or the mode of delivery for the course. The full Academic Grievance Procedure is available online in the current College Catalog.

Students should submit to the Registrar written requests that identify the record(s) they wish to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the College official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

## General Rules and Regulations

### **Anti-Hazing Law**

Reckless or intentional acts that endanger mental or physical health or involve the forced consumption of liquor or drugs for the purpose of initiation into or affiliation with any organization are strictly forbidden. Violation of the anti-hazing law will result in the expulsion, suspension, or other disciplinary proceeding or, if the violation is an organization, rescission of permission of the organization to operate on campus. A violator or organization may be subject to any applicable provision of the Penal Law in addition to any College disciplinary proceedings.

### **Bias Crimes/Hate Crimes**

It is an Orange County Community College Safety and Security mandate to protect all members of the college community by preventing and prosecuting bias or hate crimes that occur within the campus' jurisdiction.

Hate crimes, also called bias crimes or bias-related crimes, are criminal activities motivated by the perpetrator's bias or attitude against an individual victim or group based on perceived or actual personal characteristics, such as their race, religion, ethnicity, gender, sexual orientation, or disability. Hate/bias crimes have received renewed attention in recent years, particularly since the passage of the federal Hate/Bias Crime Reporting Act of 1990 and the New York State Hate Crimes Act of 2000 (Penal Law Article 485). Copies of the New York law are available from Director of Safety and Security.

Penalties for bias-related crimes are very serious and range from fines to imprisonment for lengthy periods, depending on the nature of the underlying criminal offense, the use of violence or previous convictions of the offender. Perpetrators who are students will also be subject to campus disciplinary procedures where sanctions including dismissal are possible.

In addition to preventing and prosecuting hate/bias crimes, the SUNY Orange Department of Safety and Security also assists in addressing bias-related activities that do not rise to the level of a crime. These activities, referred to as bias incidents and defined by the College as acts of bigotry, harassment, or intimidation directed at a member or group within the SUNY Orange community based on national origin, ethnicity, race, age, religion, gender, sexual orientation, disability, veteran status, color, creed, or marital status, may be addressed

through the State University's Discrimination Complaint Procedure or the campus conduct code. Bias incidents can be reported to Department of Safety and Security as well as to Human Resources Department.

If you are a victim of, or witness to, a hate/bias crime on the Middletown campus, report it to the Department of Safety and Security Victims of bias crime or bias incidents can avail themselves of counseling and support services from the campus as follows: after notifying the Department of Safety and Security, they will be escorted to the Wellness Center.

Under the law, no person can sell, deliver, or give away any alcoholic beverage to any person under the age of 21. Visitors of all SUNY Orange campus sites are expected to adhere to the Standards of conduct regarding alcohol and other drugs required of employees and students.

### **Rules and Regulations for Maintenance of Public Order on the Campus**

The following rules have been adopted by the Board of Trustees in compliance with Section 6450 of the Education Law and have been filed with the Commissioner of Education and the Board of Regents on July 20, 1969, as required by that section. Nothing herein is intended, nor shall it be constructed, to limit or restrict freedom of speech nor peaceful assembly, and it is not intended by any provision herein to curtail the rights of students, faculty, or staff to be heard upon any matter affecting them in their relations with this institution.

In the case of any apparent violation of these rules by such persons, which in the judgment of the chief administrative officer or his designee does not pose any immediate threat of injury to person or property, such officer may make reasonable effort to learn the cause of the conduct in question and to persuade those engaged therein to desist and to resort to permissive methods for the resolution of any issues which may be presented. In doing so, such officers shall warn such persons of the consequences of persistence in the prohibited conduct, including their eviction from any premises of the institution where their continued presence and conduct is in violation of these rules.

**Application of Rules.** These rules are not intended to repeal, supersede, or preclude any other rules or policies relating to the same subject matter except to the extent they are inconsistent therewith. The rules hereby adopted shall govern the conduct of students, faculty, and other staff, licensees, invitees, and all other persons, whether or not their presence is authorized, and also upon or with respect to any other premises or property under the control of the institution used in its teaching, administrative, service, cultural, recreational, athletic and other programs and activities.

**Prohibited Conduct.** No person, either singly or in concert with others, shall:

- a) Willfully cause physical injury to any other person, nor threaten to do so for the purpose of compelling or inducing such other person to refrain from any act which he has a lawful right to do or to do any act which he has a lawful right not to do.
- b) Physically restrain or detain any other person, nor remove such person from any place where he is authorized to remain.
- c) Willfully damage or destroy property of the institution or under its jurisdiction, nor remove or use such property without authorization.
- d) Without permission, expressed or implied, enter into any private office of an administrative officer, member of the faculty, or staff member.
- e) Enter upon and remain in any building or facility for any purpose other than its authorized use or in such manner as to obstruct its authorized use by others.
- f) Without authorization, remain in any building or facility after it is normally closed.
- g) Refuse to leave any building, facility or area after being requested to do so by an authorized administrative officer.
- h) Obstruct the free movement of persons and vehicles in any place to which these rules apply.
- i) Deliberately disrupt or prevent the peaceful and orderly conduct of classes, lectures, meetings, and administrative functions, or deliberately interfere with the freedom of any person to express his views, including invited speakers.
- j) Knowingly have in his possession upon any premises to which these rules apply, any rifle, shotgun, pistol, revolver, or other firearm or weapon without the written authorization of the chief administrative officer whether or not a license to possess the same has been issued to such person.
- k) Willfully incite others to commit any of the acts herein prohibited with specific intent to procure them to do so.
- l) Be involved in any action or situation which recklessly or intentionally endangers mental or physical health or involves the forced consumption of liquor or drugs for the purpose of initiation into or affiliation with any organization.

**Freedom of Speech and Assembly, Picketing and Demonstration.** No student, faculty, or other staff member or authorized visitor shall be subject to any

limitation or penalty solely for the expression of his views nor for having assembled with others for such purpose. Peaceful picketing and other orderly demonstrations in public areas of ground and building will not be interfered with. Those involved in picketing and demonstrations may not, however, engage in specific conduct in violation of the provisions of the preceding section.

**Penalties.** A person who shall violate any of the provisions of these rules shall:

- a) If he/she is a trespasser or visitor without specific license or invitation, be subject to ejection or arrest by local police.
- b) If he/she is a licensee or invitee, have his authorization to remain upon the campus or other property withdrawn and shall be directed to leave the premises. In the event of his/her failure or refusal to do so, he/she shall be subject to ejection.
- c) If he/she is a student, be subject to expulsion or such lesser disciplinary action as the facts of the case may warrant, including suspension, probation, loss of privileges, reprimand or warning.
- d) If he/she is a faculty member on probation or on tenure, be guilty of misconduct and be subject to dismissal or termination of his/her employment or such lesser disciplinary action as the facts may warrant, including suspension or censure.
- e) e. If he/she is a staff member in the classified service of the civil service, be guilty of misconduct, and be subject to the penalties prescribed in the civil service law.
- f) If he/she is a staff member other than one described in paragraphs (d) and (e), be subject to dismissal, suspension or censure.

**Procedure.** The chief administrative officer or his/her designee shall inform any licensee or invitee who shall violate any provision of these rules that his/her license of invitation is withdrawn and shall direct him/her to leave the campus or other property of the institution. In the event of his/her failure or refusal to do so, such officer shall cause his/her ejection from the campus or property.

In the case of any other violator who is neither a student, faculty, nor other staff member, the chief administrative officer or his designee shall inform him/her that he/she is not authorized to remain on the campus or other property of the institution and direct him/her to leave such premises. In the event of his/her failure or refusal to do so, such officer shall cause his/her ejection from such

campus or property. Nothing in this paragraph shall be construed to authorize the presence of any such person at any time prior to such violation nor affect his/her liability to prosecution for trespass or loitering as prescribed in the Penal Law.

In the case of a student, charges for violation of any of these rules shall be presented and shall be heard and a recommendation to the chief administrative officer shall be made under the "Code of Student Conduct" for the disposition of charges.

In the case of a faculty member, charges of misconduct in violation of these rules shall be made by the chief administrative officer or his/her designee and thereafter heard and determined by the Board of Trustees of Orange County Community College within 30 days.

In the case of a staff member, charges of misconduct in violation of these rules shall be made by the chief administrative officer or his/her designee and thereafter heard and determined by the Board of Trustees of Orange County Community College within 30 days.

**Enforcement Program.** The chief administrative officer shall be responsible for the enforcement of these rules and he/she shall designate in writing the other administrative officers who are authorized to take action in accordance with these rules when required or appropriate to carry them into effect.

In any case where violation of these rules does not cease after warning and in other cases of willful violation of these rules, the chief administrative officer or his/her designee shall cause the ejection of the violator from any premises which he/she occupies in such violation and shall initiate disciplinary action as herein before provided.

The chief administrative officer or his/her designee may apply to the public authorities for any aid which he/she deems necessary in causing the ejection of any violator of these rules and he/she may request the county attorney to apply to any court of appropriate jurisdiction for an injunction to restrain the violation or threatened violation of these rules.
