As such, final determination on granting credit is determined by our English department. Students must schedule the essay portion separately from the multiple choice portion of the exam. Please refer to our website at <https://sunyorange.edu/testing/clep.html> for more details. It is recommended that you wait to schedule the optional essay until after you have taken the multiple choice exam, however, you may choose to sit for both the multiple choice and optional essay on the same date.
